

Season's greetings from OHRA

You have made an impact in the lives of so many people in our community this year. Thanks to your donations and the generosity of others just like you, lives were changed. 144 families became housed. Housing was protected for an additional 129 families. That's 273 families spending the holidays inside, and warm, because of you. 1,261 hot showers taken. 47 people newly employed.

Message from Cass Sinclair, Executive Director

You started something special this year – The OHRA Center. With funds from Project Turnkey, OHRA had just enough to purchase a former motel. Thanks to other grants and donations like yours, the space is being transformed into a hub of service and support for low-income people in our community. There is much work to be done but I want to take a moment to paint a picture of what you have already accomplished.

Our Resource Center is operating from the new location, and renovations are underway. Amid the ongoing construction, dedicated staff continue to help guests change their lives. As you're reading this, 44 people are

temporarily housed at The OHRA Center Shelter—safe, warm, and full of hope for the future.

The past year has been hard for so many of us and yet, your spirit of giving is unfaltering. I am proud to stand next to people like you as part of such a connected and generous community.

Best wishes to you and yours this holiday season,
